### WORLD THINKING DAY 2008

Plans are well underway for World Thinking Day 2008. This year's theme will be 'Water' focusing on the aspects of water and sanitation that affect the health of girls and young women in all parts of the world.

#### Website

You will soon find a variety of resources on the World Thinking Day website [www.worldthinkingday.org](http://www.worldthinkingday.org) to help you prepare and celebrate. These resources will include activities and fundraising ideas. There will also be space for Girl Guides and Girl Scouts and their leaders to have their say about the issue of water, and to put forward their activity ideas and fundraising suggestions.

Please download the World Thinking Day promotional button from the resources section on the World Thinking Day website <http://www.worldthinkingday.org/en/resources/photos/135> and use it to link to the WAGGGS site from yours.

#### Badge

There is a World Thinking Day badge for 2008, which highlights the theme for the year.

We would encourage you to purchase badges to sell on to your membership. Please complete the attached order form and return it to us by 3 August 2007. You will receive the badges that you have ordered before the end of November.

**Fundraising**

I am sure that with your help 2008 will be the most successful year ever for donations through World Thinking Day. WAGGGS will use the money raised through World Thinking Day to fund a number of areas including: the attendance of young women at international events; providing training for leaders in our Member Organizations in developing countries; and providing activities to help spread the Movement to countries where Girl Guiding/Girl Scouting does not currently exist.

If you have any questions about World Thinking Day 2008, please contact Bill Giles, Fund Development Director, or email [wtd@wagggsworld.org](mailto:wtd@wagggsworld.org).

Yours faithfully,
