CENTENARY MESSAGE GUIDELINES

We are pleased to send you the centenary message guidelines. Please use the WAGGGS' centenary message to promote your centenary celebrations and other centenary activities. For example, you can use it on your website, in your publications, on press releases, on banners or posters. Don't forget to send us copies of the materials which feature the message.

The centenary message is available as a downloadable file from the centenary section of the WAGGGS' website.

If you have any questions, please contact Charlotte Barran, Centenary Coordinator, World Bureau (charlotte@wagggsworld.org)
